7:30 - 8:30pm: **How to Stand Up to Racism in Your Community**

A video and interactive discussion.

Chesterfield Township NIOT is pleased to present at the January Alice Paul Chapter Meeting.

At this crucial moment, Not In Our Town is committed to serving local communities that are feeling the harm of hate and want to take action. Not In Our Town works with community leaders and activists across the country who want to make their cities safe from hate and intolerance. In this year of change, we need to start at the local level where many are feeling the harm of hate every day.

Eesha Shrivastava and Rita Romeu, the founders of the Chesterfield Chapter of NIOT will show a brief video about how a town in Montana organized and stood up to incidents of racism that were happening in their community. We will then facilitate a discussion with the audience to talk about the types of incidents of racism that they have seen in their communities and steps that were taken and/or could be taken to prevent them from happening in the future. We will also talk about national NIOT and how your community could start a chapter.

8:30 – 9:00pm: Program Evaluation and more Social Time
